And one of the greatest challenges we face in life has to do with problems in relationships. When it comes to family, marriage, friendships and working relationships, we find tremendous opportunities for putting doctrine into practice. Will Simmons has taken one of those potential relationship challenges and outlined an approach for applying biblical truth. For the man in a difficult marriage, who wants to please Christ and find victory in the heat of the battle, this book will prove to be a helpful resource. Carey Hardy Executive Senior Pastor Grace Community Church Sun Valley, California. Will lives in Southern California and works at The Master s College. He has a BS degree in Social Psychology from California Baptist University and a Masters degree in Biblical Counseling from the Master s College.
