History of the United Netherlands

By John Lothrop Motley

Paperback. Book Condition: New. Not Signed; American historian John Lothrop Motley (1814-77) graduated from Harvard in 1831. During 1832 and 1833 he studied in Gottingen before returning to the United States. Already the author of two novels and numerous essays, he began to plan a history of the Netherlands, but, unable to find all the source material he needed in America, he returned to Europe in 1851, this time with his family. His first book on the subject was the widely acclaimed *Rise of the Dutch Republic*, which covered events up to 1584. Motley published this more ambitious four-volume sequel, covering events in the period 1584-1609, between 1860 and 1867. Volume 4 discusses the implications for the Dutch of the death of England's Elizabeth I, and describes the Treaty of Antwerp (1609), which imposed a truce of twelve years between Spain and the Netherlands. This final volume includes a cumulative index. book.
