Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.CYBILS AWARDS NOMINEE! BEING A DOCTOR ISN T EASY, ESPECIALLY WHEN YOU RE FOURTEEN YEARS OLD. Connor became a doctor just two days ago--along with all of his friends. They are child prodigies who were hand-selected at just three years old to undergo intensive medical training as part of a controversial experiment called Kid Docs. KID DOCS tells the story of fourteen-year-old Connor Hansen s first days as an emergency room doctor. Connor experiences his first pangs of love (toward fifteen-year-old obstetrician, Cassie), deals with his explosive older brother (a sixteen-year-old heart surgeon), and tries to figure out why his friendship with fourteen-year-old fellow ER doctor Hannah has suddenly changed. At the same time, Connor learns to save lives and discovers that some lives cannot be saved. KID DOCS is a coming-of-age novel perfect for ages eleven and up. Readers slip behind-the-scenes into a world that few people ever get to experience first-hand. It s a must-read for future doctors and anyone who has ever wondered what it s like to be a doctor. The book will appeal to similar audiences as ENDER S GAME (by Orson Scott Card) and THE GIVER (by Lois Lowry) and to fans of the television shows GREY S ANATOMY, ER, and DOOGIE HOWSER, M.D.
