Psychology Classics Heredity, Environment, and The Question How Last Chronicles of Thomas Covenant

By Anne Anastasi

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 54 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. A Psychology Classic Originally presented by Anne Anastasi as an address of the President of the American Psychological Association in 1957 this child psychology and nature nurture debate classic argues that the question How offers a much more constructive approach to the heredity-environment problem; as opposed to the question Which one or How much Note To Psychology Students If you ever have to do a paper, assignment or class project on the nature nurture debate having access to Heredity, Environment, and The Question How in full will prove invaluable. A psychology classic is by definition a must read; however, most landmark texts within the discipline remain unread by a majority of psychology students. A detailed, well written description of a classic study is fine to a point, but there is absolutely no substitute for understanding and engaging with the issues under review than by reading the authors unabridged ideas, thoughts and findings in their entirety. Bonus Material Heredity, Environment, and The Question How builds upon some of Anne Anastasis previously published work. Among the most notable of these...
