Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.Ocean City, New Jersey has hidden gems not found in any guidebooks, not advertised on any brochures. This book takes you behind the scenes of our favorite city. Some of the entries may be familiar, and you can check those off immediately, but others may be a mystery. As you check off your adventures (some easy, some more challenging), you ll have the satisfaction of knowing you ve gone beyond the typical tourist status and become an honorary local, and trust me, that s a more desirable handle than shoobie. Like kids at the beach, we should all dig deeper, and once you hit water, you ll truly know the town we love. I hope this book will help you to feel what makes Ocean City so special to me and my family.
