Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.-We rejoice to see that this work has attained to a third edition; this proves that there is a steady, hard-working body of students of Gothic Architecture, for there is nothing attractive about the work except the subject. It appears to have been studiously made as dry and uninteresting, as much like a mathematical treatise, as possible. This observation, however, does not apply at all exclusively to Mr. Paley s work, it is one of the characteristics of the school to which he belongs; an affectation of learning, and a wish to display it; a desire to show the world the great qualities of the author, that he is really a great scholar and a mathematician, takes the place of the desire to make his work as simple and easy, and as attractive to the learner, as possible. The manner of spelling the word Moulding adopted in this work-that is, the medieval form of Molding -is an instance of affectation: to adopt the spelling of a period when nobody knew how to spell his own name, when the language was altogether unformed, is absurd. Nor is Mr. Paley consistent in this, for the true medieval form is Mold, and not Molding. He has, however, the good sense to retain the established English names for the different styles of Gothic Architecture, and does not adopt the erroneous, misleading names of First Pointed, Middle Pointed, c, though his editor considers it necessary to apologize for not adopting this nonsensical fashion: or perhaps he does this out of policy, to conciliate his companions who have stuck to the blunders of their youth and inexperience. He has fortunately no need to introduce...
