David & Charles. Paperback. Book Condition: new. BRAND NEW, **Stitch Library: Over 200 Stitches for Knitters of All Abilities**, Claire Crompton, Unleash your creativity with 200 versatile and innovative knitting stitches, plus projects and techniques from the author of the bestselling *The Knitter's Bible*, with over 125,000 copies sold worldwide. A comprehensive collection of knitting stitches, ranging from the very simple to the new and innovative. Use *Stitch Library* as a guide to making your own unique knitted pieces, whether you are creating beautiful garments, useful accessories or stylish adornments for your home. The *Stitch Library* chapter begins with simple but effective knit and purl stitches that add subtle texture to a plain garment. These include traditional Gansey (or Guernsey) patterns, with advice on how to use them to design your own classic sweaters. Using texture stitches, cable panels and fabrics, and embossed fabrics, you can make up more tactile and three-dimensional pieces. Elegant colour patterns can be created using slip stitches, dip stitches and stripes. For openwork pieces, you will find lace stitches and panels, together with eyelets and drop stitch patterns. Use the range of edgings and borders to give an individual touch to your next knitted garment or to personalize your ready-made clothing by adding a knitted trim. The projects section will give you a range of ideas about how to use the stitches, with suggestions for designing your own versions. Use the projects to inspire you; the *Cable Throw* could just as easily be worked in panels of lace or texture stitches. The *Making Waves* scarf shows how a simple wave stitch can be worked in two yarns for a stunning effect. From a colourful patchwork cushion to a cashmere four-piece set and a pretty, feminine lace bag, there is a variety of creative projects. It's...
