AUTHORHOUSE, United States, 2010. Paperback. Book Condition: New. 203 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.In Sickness and In Health was birthed by a single incident, or divine appointment, as I believe it to be. Not wanting to forget a single word or detail I immediately wrote each down. Eventually I shared a little of the story with David Webster who helped edit my first book. He wrote in his notes back to me, This is your next book! Shortly after this I received an e-mail from David Oltman, one of my art students. It read, I hope you are writing down your raw emotions and innermost feelings as well as your tremendous blessings during this challenging time in your life. As I thought about that statement, I was prompted in my spirit to write our story knowing it was one many could relate to in their own lives. I pray it will be an encouragement to those going through the tests and trials of sickness and disease. May it also be a special blessing to all the caregivers. God s promises are true, and prayer is powerfull.
