Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

SAGE Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Educational Leadership: Personal Growth for Professional Development, Harry Tomlinson, 'This wide-ranging and thought-provoking book provides an alternative approach to personal and professional leadership development. Although directed at headteachers, it has much to say to all staff irrespective of whether they are in formal positions of leadership. Given the increased attention to professional development, this is a timely publication, and will cause those who read it reflect as well as providing a wealth of approaches and ideas which can be used in their school' - Colin Parker, Headteacher of King Edward VI Aston School, Managing Schools Today. 'This is an exceptionally good book that clearly brings together the author's experience as a headteacher and academic. Harry Tomlinson is an educationalist with deep insights into the personal development dimension of leadership. This is not your standard leadership book; instead it is a unique set of ideas, concepts and observations that comprehensively covers 'the how' of building leadership abilities. With twenty chapters, this is a significant resource for practitioners, leadership developers and academics' - Professor Brent Davies, International Journal Educational Management. 'This is undeniably, a terrifically rich and well-researched text which could be the starting point for a variety of personal development journeys. It has enormous value in asserting the importance of personal growth as the foundation for professional development' - "Times Education Supplement". 'This book will undoubtedly help school leaders and potential leaders acquire a basic understanding of the essential elements in understanding themselves and others in the professional context' - "Times Educational Supplement". There are many books about professional development for leaders in schools and teachers, particularly in the context of performance management. Though this book takes account of these, the focus is initially very much on personal development through self-understanding and...
