CASCADE BOOKS, United States, 2015. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.The Beach Boys are one of rock s most enduring and enigmatic groups, and while the band has been the subject of numerous biographies and other in-depth studies, there has been no focused evaluation of the religious and spiritual themes in their work. Spiritual and theological themes are present in much of their work, and when this realization is coupled with Brian Wilson s mission to spread the gospel of love through records, and his sense of music as spiritual--of thinking pop music is going to be spiritual . . . that s the direction I want to go --this is a striking way to explore the band s music. Each section of the book is a loose investigation of the guiding topics of faith, hope, and love. Each essay is a free exploration of theological and spiritual themes from the contributor s own perspectives. Much has been written about The Beach Boys over the years and their work has been scrutinized from virtually every angle. What s unique about this volume is that...
