Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a full gender-neutral translation of the Tao te Ching with commentary by a contemporary spiritual teacher and the head of the Wisdom Path Community. This is the second in a series of books on human potential and personal development, titled. "The Teachings of Lewis Harrison." This version of the Tao te Ching that is presented here is drawn from many previous published translations of the work. In my five decades as a meditation student and mentor to others and my recent years serving as the senior teacher of the Wisdom Path Community, I have always been committed to sharing and "paying it forward". In this long process I have read many different versions of the Tao te Ching, each version with its own strengths and weaknesses. The Tao te Ching was first written in classic Chinese, a language that few understand today. Thus it is hard to know definitively what was actually said and when it was said. The title of the work "Tao te Ching" is generally translated to mean "The Book of the Way and its Virtue". However, according to R.B. Blakney s respected translation, this is an awkward explanation of the "characters" and pictographs since the Chinese do not use the word way or virtue in the same way that a Westerner would. Most seekers and experts on classic Chinese though might agree that the term Tao, rather than being just a Chinese word for "path" or "way" could more accurately describe the divine presence as the source and actualization of all life and existence. A Westerner might choose to simplify it by saying "God" but students of mystic Taoism do not...
