Your work is often of astonishing brilliance.some of the most powerful writing I ve ever seen in a writer.I would expect you to become a writer of serious note.I am deeply impressed by your book -FCCJ Critique FIRST VOICES is actually a series of Biblical stories that revolve around the lives of all the principal characters encompassing the Book of Genesis. It is a vast and complicated work with superb detailing of what could have taken place with original humanity in their involvement with their Creator. As with all my books, I devoted years of research to this enterprise. I wanted to accurately bring to life to the reader the possible mindset and approaches of the multitude of principal characters as they worked toward the preservation of mankind set against horrendous odds of failure. The book takes a conservative but extremely thought-out approach toward the populations of The Book of Genesis. Within its pages the reader realizes the author s in-depth realization of the personality of Adam; his wife Eve; his children Cain, Abel, and Seth as well as their children, and their children s children. The multitude of original humanity is unveiled as never before. Here is the absolute presentation of true character development as is humanly possible given the reserves of historic records. This exploration presents to the reader a complete understanding of what happened in the Garden of Eden, with grand and extraordinary insights. Thus, I strived in this Biblical-novel to present all the personalities of the Book of Genesis within the full scope of God s presence. I delved into their lives as no other writer has. More, I placed them within the...
